

**Cummins Sales and Service
Start-Up Dealer
Fire Pump Drive Engine Start-up Inspection (S.U.I.) Allowance Program**

The Cummins Sales and Service Start-Up Inspection (S.U.I.) program is as follows:

- The dealer will be paid a negotiated fee not to exceed \$500 USD for one authorized S.U.I. for each new product installation.
- The S.U.I. allowance may be claimed only by the authorized Cummins Start-Up Dealer.
- The dealer shall submit a completed Cummins Sales and Service S.U.I. Checklist - signed by a dealer representative - directly to Cummins Sales and Service, along with confirmation that the installation has met Cummins Inc. requirements.
- The Cummins Sales and Service S.U.I. Checklist must be submitted within sixty days of the actual start-up date to be eligible for payment.
- Upon receipt of the Cummins Sales and Service S.U.I. Checklist, the S.U.I. allowance will be paid directly to the Start-Up Dealer.
- There is no provision to provide reimbursement for travel time or expenses or additional visits to complete the start-up installation.
- This S.U.I. Allowance Program is subject to change at any time.
