**Page 10, Part XV, Line 2 (a) through (d) Information regarding contribution, grant, gift, loan, scholarships, etc. programs:**

**(a)** The name, address, and telephone number of the person to whom applications should be addressed is Lyndsey Bannick, 500 Jackson Street, MC 91671, Columbus, Indiana 47201.

**(b) through (d)** The Foundation's budget year is from January 1 through December 31. The Foundation directors meet three times a year to consider new programs and approve grants. The staff has authority to make grants under \$500,000 and larger grants requiring immediate action may be approved by the Executive Committee between meetings.

The vast majority of the Foundation's grants are generated by Cummins employees and in the communities where its employees live and work. The Foundation looks for projects where Cummins employees are engaged in making a meaningful and significant community contribution and where possible specific and measurable outcomes have been defined to guide the work. The Foundation's grants are generally aligned with Cummins's three global priority areas: the environment, education, and equality of opportunity.

Inquiries and proposals that meet the above criteria may be submitted in writing at anytime during the year. A preliminary proposal should include a brief description of the problem being addressed, outcomes anticipated, the operating budget, and additional financial requirements necessary.

Proposals that do not meet the above criteria are generally not considered. The Foundation explicitly does not support political causes or candidates, or religious activities. No grants are made to individuals.
