

**SERVICING  
TECHNOLOGY  
THAT POWERS  
THE WORLD**

**POWERING YOUR POTENTIAL**

**[careers.cummins.com](https://careers.cummins.com)**  
#LifeAtCummins

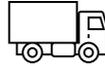

We are the largest independent engine manufacturer in the world, and we develop integrated products that provide power to various applications. Beyond our electronics, telematics, and diagnostic tools, developing our innovative solutions requires people working together with all voices heard.

Across the South Pacific region, Cummins Inc. provides support and service to our customers with a wide variety of industries and power needs. Our team works in the shop, office, field and customer sites. Wherever and whenever we are needed, we are there. This is Cummins Distribution.

There's a strong connection between our diesel and power generation technicians, apprentices, service writers, parts specialists sales, finance and teams, management, and engineers at each of our branches. You'll build connections with our customers and our corporate headquarters, but it all works through our support of each other.

---

**Our technicians have the opportunity to service a range of diesel and power generation products:**

**DIESEL ENGINES**  
Light-duty, MidRange, heavy-duty and natural gas

**HIGH HORSEPOWER**  
19L to 95L engines

**MARINE**  
Pleasure and commercial vessels

**POWER GENERATION**  
Consumer and commercial products

## KEY ROLES AT SALES AND SERVICE LOCATIONS

### DIESEL ENGINE SERVICE TECHNICIANS AND POWER GENERATION SERVICE TECHNICIANS

Our technicians work in modern shops, out of our well-equipped service vehicles, and at customer locations. Training, support, and state-of-the-art diagnostic tools ensure you can service your customers and grow your career.

### SERVICE SUPERVISORS

Our leaders get to know our customers, technicians, tools, and technology to ensure excellent customer service. Your career can take different paths to and from this critical position.

### PARTS AND WAREHOUSE TEAM

Our customers depend on us to have the parts they need at the counter, in the shop, or on the service truck. You'll be part of a team that plays a key role in our customers' success.

**SALES AND SERVICE**
