

Welcome

Thank you for purchasing the EC-AGS+. We are excited for you to have automatic generator starting capability in your RV, all controlled via your personal mobile device. This guide is designed to help you get started using your new system quickly.

System Diagram

Kit Contents

- EC-AGS+ Gateway
- Temperature Sensor
- Power Harness
- Y-Harness

NOTE: Do not install EC-AGS+ Gateway directly in the RV generator set compartment.

Online Access to Information

- For the EC-AGS+ Owners and Installation Information, visit <https://www.cummins.com/rv-generator-manuals>.

To download the owners and installation manuals, scan the QR code using a smartphone or tablet equipped with a capable camera or QR code reader app.

App Download

- Download the EC-AGS+ App from the App Store for iOS or Play Store for Android on your mobile device.

How to Obtain Service (in the U.S. and Canada)

- For assistance contact Cummins Care at 1-800-Cummins™ (1-800-286-6468) or <https://www.cummins.com/customer-assistance>.

Additional Support

To order a hardcopy manual, please visit the Elander's online ordering system
