17.2 Nothing in these Conditions shall in anyway exclude or limit Cummins's liability for injury to natural rights of individuals or caused intentionally or due to gross negligence, or for any other matter in respect of which it would unlawful for Cummins to exclude or limit liability.

18. Insolvency

18.1 If the Customer (i) is unable to pay its debts as they become due, or the Customer is overindebted, or threatened with insolvency within the meaning of Section 3 of Act No. 182/2006 Coll, the Insolvency Act ("Insolvency event"); or (ii) if an order is made or a resolution is passed for the winding up, bankruptcy or liquidation of the Customer; or (iii) if an administrator, administrative receiver or receiver is appointed in respect to the whole or any part of the Customer's assets; or (iv) business, or if the Customer makes any composition with its creditors; (v) or takes or suffers any similar or analogous action in consequence of debt, Cummins shall be entitled (i) to immediately terminate any Contract with the Customer; or (ii) all outstanding sums in respect of Goods or Services supplied shall become immediately due.

19. Force Majeure

19.1 Cummins shall not be liable to the Customer for any delay or failure to perform its obligations under the Contract as a result of war, act of terrorism, riot or civil commotion, strikes, lockouts or other industrial disputes, diseases, epidemics, accidents, fire, flood, storms, governmental restrictions and actions, embargo, delay or non-delivery of materials, failure of supplies of power, fuel, transport, equipment or other Goods or Services, or any other circumstances not within the control of Cummins ("Force Majeure Event").

19.2 If the Force Majeure Event prevents Cummins from providing any of Services and/or Goods under the Contract for more than three (3) months, Cummins shall, without limiting its other rights or remedies, have the right to terminate the Contract immediately by giving written notice to the Customer.

19.3 As a result of the outbreak of the pandemic Covid-19 arising from the novel coronavirus, temporary delays in delivery, labour or services from Cummins and its sub-suppliers or subcontractors may occur. Among other factors, Cummins's delivery obligations are subject to correct and punctual supply from our sub-suppliers or subcontractors, and Cummins reserves the right to make partial deliveries or modify its labour or service. While Cummins shall make every commercially reasonable effort to meet the agreed delivery, service or completion obligations, such dates are subject to change.

20. Export Compliance and Anti-Bribery Obligations

20.1 The Customer acknowledges the Goods may be subject to export controls, sanctions, laws and regulations (including, without limit, those of the U.S, E.U and the United Kingdom) and Cummins policies that control or restrict the export of Goods ("Export Restrictions"). The Customer shall comply with all Export Restrictions as they apply to the Customer and shall not cause Cummins or its affiliates to be in breach of any Export Restrictions. The Customer shall act as the importer of record with respect to the Goods and shall not resell, export, re-export, distribute, transfer, make available or dispose of the Goods or related technology, directly or indirectly, without first obtaining all necessary written permits, consents and authorizations and completing such formalities as may be required under such laws, rules and regulations. In particular, the Customer agrees not, unless written consent is obtained from Cummins in advance, to:

(i) use the Goods, or supply the Goods for use, in the production, operation, maintenance or related use of any chemical, biological or nuclear weapon or explosive device, or their delivery systems, or for any military purpose; (ii) use, sell, export, make available or otherwise deal with the Goods in any country (including, but not limited to, Belarus, Cuba, Iran, North Korea, Russia, Syria, or regions of Ukraine under the control of Russian forces, including: Crimea, including Sevastopol, Donetsk People's Republic (DNR), Luhansk People's Republic (LNR), Kherson province, or Zaporizhzhia province) subject to a specific Export Restriction ("Restricted Countries"); or (iii) sell, export or re-export, directly or indirectly, Cummins products to or for use in Restricted Countries by any third parties further down the commercial chain, including by potential resellers ("Diversion"). The Customer undertakes to monitor and seek to detect any such Diversion and immediately inform Cummins of any problems implementing measures to prevent Diversion and/or relevant activities by third parties to divert Cummins products. Any failure by the Customer to comply with this provision and all applicable laws relating to the importation, exportation or re-exportation, transfer, distribution, sales, promotion, or marketing of the Goods will constitute a breach of an essential element of the Contract. Such a breach would give Cummins the right to seek appropriate remedies, including, but not limited to, immediate termination of the Contract and/or the right to elect not to recognize the warranties associated with the Goods. In its contracts with any third party involving the Goods, the Customer agrees to impose on such third party the same obligations and requirements imposed on it by Cummins in this clause. The Customer also agrees not to violate, and not to cause Cummins to violate, any provision of the U.S. Foreign Corrupt Practices Act and any equivalent applicable laws or regulations. The Customer shall indemnify Cummins against any and all claims, losses, damages and expenses arising from or related to such failure by the Customer to fulfil its obligations under this clause 20.1.

21. Change of Circumstances

21.1 Cummins and the Customer assume their own risk of change of circumstances. Both Cummins and the Customer waive their right to any claims including modification or annulment of any obligation ensuing from the Contract due to change of circumstances which Cummins and Customer followed while concluding the Contract.

22. Governing law and jurisdiction

22.1 The Contract, and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims), shall be governed by, and construed in accordance with, the laws of the Czech Republic, and the parties irrevocably submit to the exclusive jurisdiction of the Czech courts.

23. Miscellaneous

23.1 Cummins may at any time assign, transfer, charge, subcontract or deal in any other manner with all or any of its rights or obligations under the Contract.

23.2 Any variation, including the introduction of any additional terms and conditions, to the Contract shall only be binding when agreed in writing and signed by both Cummins and the Customer.

GENERAL TERMS AND CONDITIONS FOR SUPPLY OF GOODS AND SERVICES

- 23.3 If any part of the Contract is held to be invalid, illegal or unenforceable, that part shall, to the extent required, be deemed deleted, and the validity and enforceability of the other provisions of the Contract shall not be affected.
- 23.4 No failure or delay by Cummins in exercising any right or remedy under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor preclude or restrict its further exercise.
